What Is Not Covered?

Like most insurance plans, this plan has exclusions. In addition, a reduction schedule may apply. Please see your benefits administrator or certificate for specific details.

For AD&D coverage only, no benefit will be paid for any loss resulting from or caused or contributed to by; physical or mental illness or infirmity or the diagnosis or treatment of such illness or infirmity; an infection, other than infection occurring in an external accidental wound; suicide or attempted suicide; intentionally self-inflicted injury; war, whether declared or undeclared; or act of war, insurrection, rebellion, or riot; committing or trying to commit a felony; the voluntary intake or use by any means of any drug, medication or sedative, unless it is taken or used as prescribed by a physician, or an "over the counter" drug, medication or sedative taken as directed; alcohol in combination with any drug, medication, sedative; or poison, gas or fumes.

Life and AD&D coverages are provided under a group insurance policy (Policy Form GPNP99 or G2130-S) issued to your employer by MetLife. Life and AD&D coverages under your employer's plan terminates when your employment ceases, when your Life and AD&D contributions cease, or upon termination of the group insurance policy. Should your life insurance coverage terminate, for reasons other non-payment of premium, you may convert it to a MetLife individual permanent policy without providing medical evidence of insurability. Dependent Life coverage will terminate when a dependent no longer qualifies as a dependent.

This summary provides for an overview of your plan's benefits. These benefits are subject to the terms and conditions of the contract between MetLife and your employer. Specific details regarding these provisions can be found in the certificate. If you have additional questions regarding the Life Insurance program underwritten by Metlife, please contact your benefits administrator or MetLife. Like most group life insurance policies, MetLife group policies contain exclusions, limitations, terms and conditions for keeping them in force. Please see your certificate for complete details.

You are advised to consult with social service agencies concerning the effect that receipt of ABO benefits will have on public assistance eligibility for you, your spouse or your family.
