| Some out-of-network services need approval by us in advance (precertification). Without this approval, a benefit reduction of \$400 per occurrence applies separately to each type of covered service. Refer to your plan documents for a full list of services that need this approval.                                                                                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                        |  |  |  |

Walk-in clinics are freestanding health care facilities that (a) may be located in or with a pharmacy, drug store, supermarket or other retail store; and (b) provide limited medical care and services on a scheduled or unscheduled basis. Urgent care centers, emergency rooms, the outpatient department of a hospital, ambulatory surgical centers, and physician offices are not considered to be walk-in clinics.

| to be walk-in clinics.                                                                                                                                                                                                                                                                                                                                                                                                                       |                                                                    |                                        |

Covered in full  NETWORK CARE  Prescription drugs purchased at a network pharmacy are subject to the in-network medical deductible which must be satisfied before any prescription drug benefits are paid.  NETWORK CARE  II Covered in full after deductible  Covered in full after deductible |

### Retail

Up to 30 day supply from the Aetna National Pharmacy Network

#### Mail Order

31-90 day supply from a participating mail service pharmacy or at selected participating retail providers

Maintenance Choice® with Opt Out - After two retail fills, members must choose to fill a 90-day supply of their maintenance drugs at a participating mail service pharmacy or at selected participating retail providers. If the member wants to continue to fill their 30-day supply at any other network pharmacy, they simply need to call us at the number on their member ID card. If they do not notify us that they want to opt out of the 90-day supply at a participating mail service pharmacy or at selected participating retail providers, they'll be responsible for 100 percent of their medication cost. The member may call us any time, even from the pharmacy, to let us know that they intend to opt out of the benefit.

**Specialty-** Up to a 30 day supply. All prescription fills must be through our preferred specialty pharmacy network, Aetna Specialty Network.

**True Accumulation -** Some specialty prescription drugs may qualify for third-party copay assistance programs, like a manufacturer coupon or a rebate. These could lower out-of-pocket costs. Any amount received through one of these programs will not apply towards the Deductible or Out-of-Pocket Maximum.

Choose Generics with Dispense as Written (DAW) override - The member pays the applicable cost-sharing only if the physician requires brand. If the member requests brand when a generic is available, the member pays the applicable cost-sharing plus the cost difference between the generic and brand. The cost difference between the generic and brand does not count toward the Deductible or Out-of-Pocket Maximum.

**Precertification -** Included. See formulary for details.

**Step Therapy -** Included. See formulary for details.

**Preventive Medications -** Deductible is waived for certain preventive medications.

#### **Pharmacy Plan includes:**

Contraceptive drugs and devices obtainable from a pharmacy, Oral fertility drugs, Diabetic supplies.

Affordable Care Act mandated female contraceptives and preventive medications covered 100% in-network.

Contraceptives may be dispensed for up to a 12 month supply at one time.

Preventive and seasonal vaccinations covered 100% in-network.

Cost-share is \$0 copay, deductible waived, for preferred generic and brand diabetic supplies and preferred generic and brand insulin.

Performance Enhancing Drugs - Coverage is excluded for lifestyle/performance drugs.

Not all drugs are covered. It is important to look at the Drug List (Advanced Control Plan - Aetna Formulary) to understand which drugs are covered.

#### \*How out-of-network care is reimbursed:

We cover the cost of services based on whether doctors are "in network" or "out of network." We want to help members understand how much Aetna pays for their out-of-network care. At the same time, we want to make it clear how much more members will need to pay for this "out-of-network" care.

Members may choose a provider (doctor or hospital) in our network. Members may choose to visit an out-of-network provider. If a member chooses a doctor who is out of network, their Aetna health plan may pay some of that doctor's bill. Most of the time, members will pay a lot more money out of their own pocket if they choose to use an out-of-network doctor or hospital.

When members choose out-of-network care, Aetna limits the amount it will pay. This limit is called the "recognized" or "allowed" amount.

The members' doctor sets his or her own rate to charge members. These rates may be higher -- sometimes much higher -- than what the members' Aetna plan "recognizes." Members' doctors may bill them for the dollar amount that their plan doesn't "recognize." Members must also pay any copayments, coinsurance and deductibles under their plan. No dollar amount above the "recognized charge" counts toward their deductible or out-of-pocket maximums. To learn more about how we pay out-of-network benefits visit **Aetna.com**. Type "how Aetna pays" in the search box.

Members can avoid these extra costs by getting their care from Aetna's network of health care providers. Go to **www.aetna.com** and click on "Find a Doctor" on the left side of the page. Members can sign on to the Aetna member site.

This applies when members choose to get care out of network. When members have no choice (for example: emergency room visit after a car accident, or for other emergency services), we will pay the bill as if the member got care in network. Members pay cost sharing and deductibles for their in-network level of benefits. Members should contact Aetna if their health care provider asks them to pay more. Members are not responsible for any outstanding balance billed by their providers for emergency services beyond their cost sharing and deductibles.

### **What's Not Covered**

This plan does not cover all health care expenses and includes exclusions and limitations. Members should refer to their plan documents to determine which health care services are covered and to what extent. The following is a partial list of services and supplies that are generally not covered. However, your plan documents may contain exceptions to this list based on state mandates or the plan design or rider(s) purchased by your employer.

All medical or hospital services not specifically covered in, or which are limited or excluded in the plan documents; Charges related to any eye surgery mainly to correct refractive errors; Cosmetic surgery; Custodial care; Dental services; Donor egg retrieval; Experimental and investigational procedures; Hearing aids; Immunizations for travel or work; Infertility services, including, but not limited to, advanced reproductive technologies such as IVF, ZIFT, GIFT, ICSI and other related services, unless specifically listed as covered in your plan documents;

Nonmedically necessary services or supplies; Orthotics, except diabetic orthotics; Over-the-counter medications and supplies; Reversal of sterilization; Services for the treatment of sexual dysfunction or inadequacies, including therapy, supplies, or counseling; and special duty nursing. Weight control services including surgical procedures, medical treatments, weight control/loss programs, dietary regimens and supplements, appetite suppressants and other medications; food or food supplements, exercise programs, exercise or other equipment; and other services and supplies that are primarily intended to control weight or treat obesity, including Morbid Obesity, or for the purpose of weight reduction, regardless of the existence of comorbid conditions.
