

Aetna Funding Advantagesm

Nevada Small Group Broker Set Up Checklist

Aetna Funding Advantage provides small businesses with the affordable and attractive benefits of self-funding that are traditionally only offered to larger companies. With the predictability of a stable monthly payment, the protection of stop-loss insurance, and the opportunity to save costs when medical claims are lower than expected, it is a win-win for our customers.

- **Step 1: Get Licensed and Appointed with Aetna**
- Send your producer license to LAAU@aetna.com
- Aetna will confirm appointment via email
- If you have additional questions you can reach out to the licensing department at LAAU@aetna.com or 866-511-2863
- Step 2: Register in ProducerWorld

AFA quoting requires a ProducerWorld log in. If you don't have one, you can register in the Producer section of <u>aetna.com</u>. Hover over the log in section and click on Register. Note: To register, you must be the principal of your agency and licensed and appointed OR be granted access by the principal (or the designee of the principal) of your agency.
