

Recommend highly valued, cost-effective vision solutions

Your vision for your clients is clear

Offer your clients a vision insurance plan that provides the convenience their employees want. With our range of vision plan options, it's easy to keep your clients and their employees focused on solutions that fit their needs, deliver savings and help improve overall wellness.

A view on wellness

Vision insurance can help your clients and their employees make important wellness connections. Regular vision care can detect and monitor potentially serious problems that can impact well-being and productivity, as well as health care costs.¹

Savings² and convenience

Customer-Focused Solutions: A wide range of plan designs — including \$0 copay options — available in all 50 states

Convenient Access: A network with over 110,000+ access points³ including both private practice and retail center locations (e.g., For Eyes and America's Best)

Simple to Use: No ID card or in-network claims forms needed to access benefits.

Exceptional Service: Single points of contact for underwriting, implementation, enrollment and service across MetLife products ensure administrative work is minimal and the experience is as seamless as possible

Cutting-edge expertise

Count on MetLife to help you build vision plans based on the latest research and market trends. That's why we include in-network standard features⁴ that may only be offered as options by some other carriers.

- **Polycarbonate (shatter-resistant) lenses** for children up to 18 years of age
- **Ultraviolet coating** covered in full
- **Fixed copays** for popular options like progressive lenses; anti-reflective and scratch-resistant coatings; as well as contact lens fitting and evaluation

Multi-product advantages

Ask about MetLife's multi-product advantages for small and mid-sized businesses. **We make it easy** to offer more choices and earn additional multi-product compensation on top of your regular commissions.

Find the right solutions with [GA Name] and MetLife.

1. Why Are Eye Exams Important? <http://www.allaboutvision.com/eye-exam/importance.htm>, Accessed February 2018.

2. Your actual savings from enrolling in the MetLife Vision Plan will depend on various factors, including plan premiums, number of visits to an eye care professional by your family per year and the cost of services and materials received. Be sure to review the Schedule of Benefits for your plan's specific benefits and other important details.

3. MetLife data as of August 2019.

4. All lens enhancements are available at participating private practices. Maximum copays and pricing are subject to change without notice. Please check with providers for details and copays applicable to your lens choice. Please contact your local Costco to confirm the availability of lens enhancements and pricing prior to receiving services. Additional discounts may not be available in certain states.
