

## Access PPO: Not only more choice. Better choice.

With more than 26,000 providers and facilities\* already contracted with Kaiser Foundation Health Plan of Washington Options, Inc. – plus the First Choice Health network – the Access PPO health plan has one of the largest networks in Washington.

You can choose the integrated, personalized care found at Kaiser Permanente medical facilities, plus have access to many of the most respected providers in the state and the country. In addition to Kaiser Permanente care teams and physicians, these include in-network providers such as **UW Medicine, Swedish Physicians, CHI Franciscan Health, The Everett Clinic, MultiCare, PeaceHealth, Providence, Harrison HealthPartners, and more.** You can also access major national pharmacy chains through OptumRx pharmacy network.

## Regional and national coverage you can count on

If you work or travel in the northwest, you can seek care through First Choice Health network of providers in Oregon, Alaska, Montana, Idaho, and Washington.

For areas beyond, care can be found through First Health network, which includes such renowned institutions as Mayo Clinic, Johns Hopkins Medicine in Baltimore, the Cleveland Clinic, and UCSF Medical Center in San Francisco. In fact, Access PPO gives members access to the top 10 hospitals as ranked in the *U.S. News & World Report Best Hospitals*, 2018-2019.
